

e-Kids Volunteer Information Form

So... what's this all about?

Well, if you are a volunteer or are thinking of volunteering in the future, we would like to have your contact information. This will help us keep a database of all our volunteers . If you have not filled out this sheet, then please do, even if you have been a volunteer for a while now.

We will also take a picture of you for a card that will be attached to a room on the days that you volunteer. This provides a recognition for parents when dropping off their children.

Please fill out one form per volunteer.
